The Guild Store is located in the heart of Downtown Lancaster on the bustling 300 Block of N. Queen Street. We represent over 125 artist members of the **Pennsylvania Guild of Craftsmen** and offer a broad range of both contemporary and traditional fine handmade crafts such as furniture, jewelry, textiles, fine art, glass, wood, and ceramics. Art sales support not just our members, but also support the PGC's educational programs and activities. Our hours are:

TUESDAY - SATURDAY: 10AM-5PM
FIRST FRIDAYS: 10AM-8PM

335 N. Queen Street ■ Lancaster, PA 17603 ■ 717.431.8706

Welcome to our Pennsylvania Guild of Craftsmen (PGC) Fine Craft Fair! If you are familiar with our events, then you know that a PGC Fine Craft Fair is exemplified by the best and finest craftsmanship. It is a feast for the eyes. We are delighted that you have returned to see what our artists have created for you!

I know you will find a carefully curated selection of unique, beautiful, handmade works. If you are new to our juried events, welcome! This year, we have refined our Fine Craft Fairs to be indoors for the comfort of both our artists and our customers. I hope you enjoy every minute as you shop, meet our artists and experience the passion they have for their craft.

This year the Pennsylvania Guild of Craftsmen, a charitable 501(c)(3) organization, marks 80 years in craft! Our fine craft fairs have been a shining example of the creativity and work not only of the exhibiting artists, but the boards of both organizations (PA Guild and PA Designer Craftsmen – organizer of our shows), a host of volunteers, and YOU, our customers for more than 75 of those years. Your support enables us to continue our mission to create opportunities for traditional and contemporary artisans, craft enthusiasts, and collectors. We achieve our mission primarily through educational opportunities and community programs. We are grateful for your support! Please take a moment to check out our website to see the programs we offer, classes we teach, and opportunities for membership. We would love to have you join our craft community! Want to support our organization? Select the “Contribute” button at the top of our website. www.pacrafts.org

Karen Peiffer

President of the Board of Directors, Pennsylvania Guild of Craftsmen

Welcome to our 2024 Fall Fine Craft Fair! We are excited to bring our re-imagined Fine Craft Fair to the Greater Philadelphia Expo Center. A big thank you to all the artists, spouses and friends who helped make this show happen. We wouldn't be here today without a lot of behind-the-scenes work, all of which is done by volunteers. As you shop, we hope you find art that captures your heart and delights your eye. When you buy from our artists, you are not only supporting local and regional artists, but you are directly helping the PGC spread the love of art and preservation of traditional and contemporary craft in Pennsylvania. Enjoy!

GUILD
OF CRAFTSMEN

EST. 1944

Our mission is to create opportunities for traditional and contemporary artisans, craft enthusiasts, and collectors through education, advocacy, and community.

**CELEBRATING
80 YEARS OF
FINE CRAFT &
THE ARTS**

We believe that art is a vehicle for growth and education. We seek to grow awareness of fine craft and its many disciplines.

Founded in 1944, the PGC was one of the first organizations to follow First Lady Eleanor Roosevelt's recommendation to find ways to transfer wartime skills to peacetime work. Since then, in addition to Fine Craft Fairs, the PGC and its state-wide chapters have hosted or sponsored social activities, juried exhibits, demonstrations, forums, studio visits, workshops, field trips, and operated a retail store focused on selling members' art.
