**The Guild Store** is located in the heart of Downtown Lancaster on the bustling 300 Block of N. Queen Street. We represent over 125 artist members of the **Pennsylvania Guild of Craftsmen** and offer a broad range of both contemporary and traditional fine handmade crafts such as furniture, jewelry, textiles, fine art, glass, wood, and ceramics. Art sales support not just our members, but also support the PGC's educational programs and activities. Our hours are:

**TUESDAY - SATURDAY: 10AM-5PM**  
**FIRST FRIDAYS: 10AM-8PM**

**335 N. Queen Street ■ Lancaster, PA 17603 ■ 717.431.8706**

Welcome to our Pennsylvania Guild of Craftsmen (PGC) Fine Craft Fair! If you are new to PGC Fine Craft Fairs, then you will notice a refreshing difference in our shows which are exemplified by the best and finest craftsmanship. In 2024 we changed all our venues to indoors for the comfort of our guests and our artists.

For those of you who are returning, welcome back!

We are delighted that you have returned to see what our artists have created for you! Our FCF's feature a carefully curated selection of unique, beautiful, handmade works. I hope you enjoy every minute and take some time to shop, meet our artists and experience the passion they have for their craft.

The PGC is a non-profit, charitable organization, and our events are carefully orchestrated to create opportunities for our artists to sell their work AND for collectors and enthusiasts to better appreciate the craftsmanship and artistry that make these shows so important to the art and craft community. As an 80-year-old organization, our fine craft fairs have been a shining example of the creativity and work not only of the exhibiting artists, but the boards of both organizations (PA Guild and PA Designer Craftsmen – organizer of our shows), a host of volunteers, and YOU, our customers for more than 75 of those years. Your support enables us to continue our mission which we achieve primarily through donations, educational opportunities and community programs. We are grateful for your support! Want to get involved? Please take a moment to check out our website to see the programs we offer, classes we teach, and opportunities for membership! We would love to have you join our craft community! ### **Karen Peiffer**

*President of the Board of Directors, Pennsylvania Guild of Craftsmen*

Welcome to our 2025 Fall Fine Craft Fair! One of my favorite parts of going to fine craft shows is meeting artists and learning a little bit about how they do their craft. Today, we have at least a dozen artists who will be demonstrating their work in their booths. As you walk the show and admire the amazing work by our carefully

curated artists, ask them about their process and inspirations, and I guarantee you'll be fascinated and even more interested in their work! A big thank you to all the artists, spouses and friends who helped make this show happen. We wouldn't be here today without a lot of behind-the-scenes work, all of which is done by volunteers. And thank you to our patrons, both returning and brand new to us — we appreciate you!

**Our mission is to create opportunities for traditional and contemporary artisans, craft enthusiasts, and collectors through education, advocacy, and community.**

## CELEBRATING OVER 80 YEARS OF FINE CRAFT & THE ARTS

We believe that art is a vehicle for growth and education. We seek to grow awareness of fine craft and its many disciplines.

Founded in 1944, the PGC was one of the first organizations to follow First Lady Eleanor Roosevelt's recommendation to find ways to transfer wartime skills to peacetime work. Since then, in addition to Fine Craft Fairs, the PGC and its state-wide chapters have hosted or sponsored social activities, juried exhibits, demonstrations, forums, studio visits, workshops, field trips, and operated a retail store focused on selling members' art.
